Andrea's career in leadership and Early Childhood education began 25 years ago, as the founder and Director of the franchised Company 'The Learning Years Ltd' that promoted parents as first teachers. She has extensive experience in training and developing people, teams and businesses, with a focus on shared vision, collaboration and growth. Andrea is an Industry Reference group member for the Workforce Council, and is also qualified with a Certificate IV in Training and Assessment, and a Bachelor of Training and Development.

First Door complies with Standard 7, Clause 7.3 'Protect prepaid fees by learners' from the *Standards for Registered Training Organisations 2015*. To comply with this clause, First Door will not:

- accept more than \$1000 prior to the commencement of a qualification; or

All student fees paid in advance are protected. Student fee payments made in advance are identified as a liability until the assessment and/or training has been facilitated by First Door, where it is then identified as an income.

Fee charging and payment

Students are invoiced by email for each unit fee 10 - 14 days prior to commencing their next unit, in accordance with the student's training plan. Payment is required to be made within seven days by the student to First Door, and prior to receiving training and assessment services for the invoiced unit.

Other fees and charges

Incidental fees and charges are listed on First Door's Fees Schedule. Items on this list include fees pertaining to the replacement of lost certificates and fees associated with multiple re-assessments.

Overdue fee collection procedure

One week following due date: A reminder email is sent to student with the outstanding invoice.

Two weeks following due date: An email from First Door administration is sent to the student requesting payment or contact with First Door to make a repayment arrangement within seven days. This email includes a reminder of the \$45 late fee that is charged for any invoice outstanding three weeks following due date.

Three weeks following due date: If no repayment arrangement is made with First Door administration, the student is invoiced with \$45 late fee. This fee is charged in addition to the outstanding unit fee to contribute towards the costs of the debt recovery.

Four weeks following due date: The student is phoned by our Administration Coordinator to make a repayment arrangement. If our administrator is unable to contact the student by phone then a letter is mailed to the student requesting a repayment arrangement be made. This contact by phone or letter advises the student of the implications to their study progress if payment is not arranged within six weeks of due date.

Six weeks following due date: An email is sent to the student advising further training and assessment will not be provided until the debt is cleared or suitable repayment arrangements are made. Administration also advises the student mentor/assessor to contact student to discuss implications to their training plan.

Fee Refunds

The student will receive a full refund of fees paid, including all administration fees if First Door has to cancel because either:

- a course or unit is cancelled or re-scheduled by First Door to a time unsuitable to the learner
- a learner is not given a place by First Door due to maximum number of places being reached

If a student provides one week's notice to cancel prior to the course starting date, they will receive a full refund of any unit fees paid in advance. The enrolment fee paid by the student for the enrolment process and access to resources is non-refundable.

Compassionate refunds are considered when a student withdraws for reasons of personal circumstances beyond their control, for example, the loss of a loved one or an injury resulting in inability to perform job role.

Cancellations after the course has begun will be dealt with on a case by case basis to ensure that First Door has done everything within its ability to assist the student in completing the course.

Financial hardship

Students enrolling with First Door may apply for special consideration with regard to their fees if they are experiencing financial hardship. For students on a funded Traineeship or Apprenticeship the financial hardship guidelines in the current User Choice Policy must be applied.

Financial hardship is defined by First Door as follows: *Where a student is unable to meet their financial obligations because of illness, unemployment or other reasonable cause.*

Any student who needs to apply for an amendment to their fees or payment schedule due to financial hardship will be required to complete a Financial Hardship Form. This form is to be completed prior to enrolment with First Door, or in the event of unforeseen circumstances, during enrolment.

Students experiencing financial hardship are to complete an application including the reason(s) behind their hardship. This may include, but is not limited to:

Each case is handled individually and all decisions made are at the sole discretion of the Company Director. Funded Apprenticeship and Traineeship Financial Hardship applications are also determined within the constraints of the current User Choice Policy. The Company Director may also devise payment plans for learners experiencing financial hardship. It is expected that learners will agree to and adhere to the payment plans provided to them.

If a student presents an AQF qualification or statement to the Trainer, the Trainer will take a copy and verify the authenticity of the qualification or statement. The verified copy of the qualification or statement is placed in the student's file. Once the qualification or statement is verified, the Trainer will give the student exemption for the units of competency or modules identified in the qualification or statement and update the student's records accordingly.

All students shall have access to, and will be offered Recognition of Prior Learning (RPL). Evidence of RPL can be provided through informal education, life and workplace experience and voluntary roles.

Recognition of Prior Learning Policy

Upon enrolment First Door shall make students aware of First Door's RPL policy. Trainers will remind students of this policy and provide opportunities to engage in the RPL process.

When approached by a student seeking RPL, First Door will:

In developing the assessment (including Recognised Prior Learning) for each qualification, First Door will ensure:

- compliance with the current assessment guidelines from the relevant Training Package or accredited course
- assessment leads to a qualification or statement of attainment under the Australian Qualifications Framework (AQF)
- assessment complies with the principles of competency-based assessment (i.e. assessment is valid, reliable, flexible and fair) and informs the student of the context and purpose of the assessment
- the rules of evidence (valid, sufficient, current and authentic) guide the collection of evidence to support the principles of validity and reliability.
- there is a focus on the application of knowledge and skills to the standard expected in the workplace, including skills for managing work tasks, contingencies and the job environment

In providing assessment feedback to students, First Door ensures:

- timely and appropriate feedback is given to students within two weeks of submission
- assessment complies with First Door's access and equity policy
- all students have access to two reassessments or to appeal their assessment rating

Student Standards

Students confirm the authenticity of the work submitted as being their own, as part of the terms and conditions of enrolment. In each assessment workbook, students are required to declare with their signature that the assessment work that they are submitting is their own work.

To ensure all students receive equal opportunities and gain the maximum from studying with First Door, these rules apply to all enrolled students. These standards include but are not restricted to:

- Students are required to maintain standards of etiquette and courtesy with all stakeholders in their learning, and during their online discussions and attendance at workshops.
- Use of appropriate language in all forms of communication
- Assessment work is to be completed to an appropriate professional level to the student's job role/qualification. For example, before submission assessment work should be proof read using spelling and grammar check and required corrections made
- Students must not copy work or breach plagiarism standards

Consequences for breaching these standards may result in the student's enrolment being terminated and a statement of attainment issued for any units completed to date.

Any person who has had their enrolment suspended or terminated has the right of appeal through our appeals process.

Structured training plan assessment process

The structured plan provides students with a monthly timetable to work through a course unit each month, excluding December. The structured training plan assists students to stay focused and motivated, with due dates to submit their assessment work. Units are usually completed on a monthly cycle. At the beginning of each monthly cycle, students receive their new unit resources and attend an interactive workshop.

A workplace mentoring meeting occurs mid-month and the assessment workbook is due at the end of each monthly cycle.

The following is a timeframe guide of our general assessment process:

Week 1: Unit start

- On the Friday before unit start/workshop date students receive their assessment workbook by email.
- The due date for this assessment is listed on the student's training plan and is generally the Friday before the next workshop/unit start date.
- Workshop resources are received at the workshop and the unit presentation is available the following day, using First Door's student online portal accessed through www.firstdoor.com.au

Week 2: Preparation

- The student continues completing assessment tasks and preparation for mentoring meeting.

Week 3: Mentoring meeting

- A mentoring meeting is held with the mentor/assessor to discuss the oral questions and/or observe the practical skills listed in the assessment workbook. Students are able to ask questions and seek feedback about their assessment work at this meeting.

Week 4: Due date

- Students are to submit their completed assessment workbook by email to admin@firstdoor.com.au by 4pm on due date.
- If a student requires an extension of due date this should be requested and approved by the mentor prior to the assessment due date.

Week 5: Overdue

- If the assessment is overdue, administration emails the student to remind them their assessment is overdue and to contact their mentor to arrange an extension of due date.
- Students are also encouraged to contact their mentor to discuss any issues and concerns resulting in the overdue assessment. First Door recommends the student attend weekly study group for additional support to aid completion.

Week 6: Two weeks overdue

- If the assessment is two weeks overdue, the administration coordinator emails the student and their mentor to update them and request contact.
- The student's records are updated as overdue in the relevant unit.
- The mentor discusses the overdue assessment with the student at the next mentoring meeting to establish how the student can be supported to complete the assessment.
- If necessary, an appropriate extension of due date is arranged based on the student's requirements.

Overdue assessment process

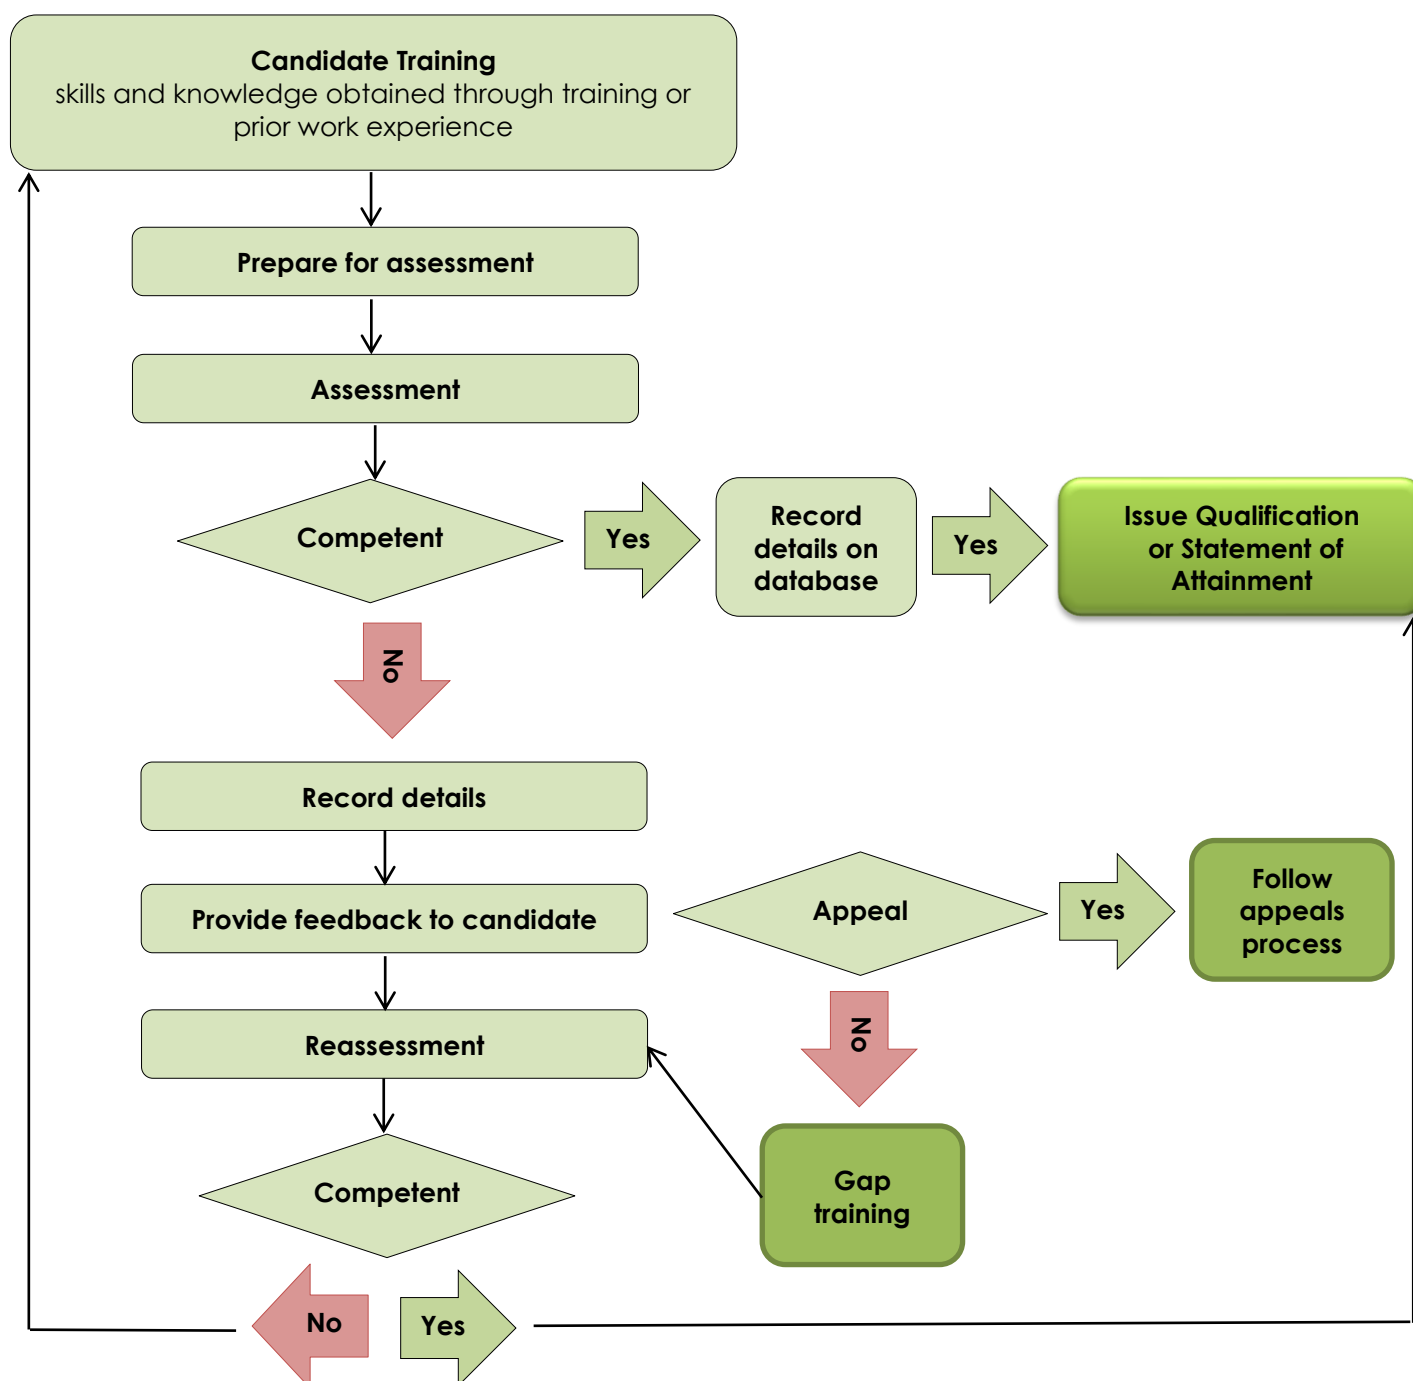

We recognise circumstances may affect a student's ability to complete assessments and we are able to make arrangements to pause training plans if required. Students are informed that delaying progress will lengthen the duration of their course and extend the expected course completion date.

- When a student has two units overdue, an agreement is generally made with the mentor to pause the training plan and for the student not to commence their next scheduled unit.
- If a student has three units outstanding/overdue they cannot commence the next unit until the student has submitted the required overdue assessment workbooks.

Advice of student assessment progress towards qualification

- First Door's student management system is updated and the student is advised by email within 24 hours of an assessment being marked as competent.
- Students are able to access a current list of their completed units through using First Door's student online portal accessed through www.firstdoor.com.au
- The mentor contacts the student's employer to inform them of the student's progress, and if necessary to recommend to the employer that the student delays starting new units until they have completed the outstanding units. This communication with the employer occurs when:
 - o the student is an apprenticeship or traineeship student, or
 - o the student's fees are employer-funded, and/or
 - o if the student's progress towards their qualification is related to their employment.
- Once successful progress has been made, the mentor will discuss the next unit commencement with the student and review/update the student's training plan accordingly.

Employer Contribution to Student Learning

First Door will meet with the student's workplace director/manager to familiarise them with First Door's training and assessment practices. First Door will establish appropriate training supervisor/s for each student as they will form an important part of the assessment and evaluation processes. First Door will communicate with these supervisors, directors and or managers on a regular basis to ensure student progress and development.

Regular workplace mentoring will be undertaken, in a manner which suits the student's circumstances, which will also lead to effective monitoring of training and assessment.

Course Extension

First Door will not be obliged under any circumstances to extend the period of a student's enrolment if the student has not completed the course in the allocated time, however every effort will be made to keep the student engaged and assist them in completing the course.

Assessment due dates

First Door encourages students to be motivated, accountable and focused by setting assessment due dates. Flexi plan assessment due dates are self-directed. These are arranged at the monthly mentoring meetings and are detailed in the student's training plan. The structured plan assessment dates are set by First Door and are detailed in the Course Guide and in the student's training plan. Assessments are required to be received by First Door by 4pm on due date unless an extension request is received and accepted. A new unit of study is not supplied or commenced until the previous unit has been submitted.

Assessment extension requests

Assessment extension requests are to be made in writing by email or post to the student's personal mentor prior to the assessment due date. A new assessment due date is to be requested with the extension request.

Student Support Services Policy

Supporting Student Individual Needs

A comprehensive enrolment process will establish individual student needs. Once a student's needs are identified a First Door Student Needs process will be undertaken.

Each time a student receives a new unit they will receive a follow up communication to ensure understanding of unit content and requirements.

Attendance at monthly workshops is highly encouraged to ensure student interaction with industry colleagues and opportunities to put theory into practice.

Regular workplace mentoring will be undertaken, in a manner which suits the student's circumstances, which will lead to effective monitoring of training and assessment. First Door will undertake workplace mentoring at least once every two months.

First Door will monitor student progress through our student management systems and will mentor students if disengagement is occurring.

We will endeavour to provide information and guidance to all learners. Information provided during enrolment will be used as a base to determine student support services. This includes but is not limited to:

- Learning pathways and possible RPL opportunities
- Provision for special learning needs including Language, Literacy and Numeracy

Students have access to additional mentoring sessions with their mentor at a pre-arranged cost.

Language, Literacy and Numeracy (LLN)

First Door is committed to ensuring accessibility to all prospective students for the training courses we provide.

We also recognise that at times language and literacy problems may restrict a person from achieving the competencies required for particular courses or programs.

First Door will make every effort to assess a perspective client/learners ability to carry out all the learning tasks and required assessments during enrolment. Where possible, the learning activities/assessments may be modified to compensate for those with literacy or numeracy skill needs.

Flexible Learning and Assessment Procedures

Our training and assessment procedures are flexible and take into account learner needs. We will ensure that:

- All required resources for the delivery of any course are in place and to the most current industry standards
- Training and assessment will only be conducted by qualified staff
- All training and assessment will be to the nationally set standard prescribed in the relevant Training Package or accredited course material

This means that training and assessment students receive with First Door is done in accordance of the national quality-training framework.
